

Weekly Report – September 19, 2025

- On Tuesday, September 16, site work began on the Rainwater Harvesting Project with trenching and the placement of sand for base of the water storage tank.

- The Mayor's Third Annual Seed Ball Event will be held on Saturday, October 18, from 9:00 a.m. to noon at Annetta Town Hall, 450 Thunder Head Lane, Annetta, Texas. Box lunches will be provided for participants. Join us to meet your neighbors and support the Monarchs on their annual migration!

- Stop by Town Hall to pick up free emergency preparedness materials and milkweed seed packets from Mayor Roberts.
- The installation of fiber optics in the right-of-way is still ongoing. The Town's attorney has advised that state law places strict limits on what municipalities can require of telecommunications and fiber providers working in the right-of-way. For this reason, residents with concerns or questions about these projects should contact the providers directly.
