Weekly Report – September 25, 2026

🎀 Rainwater Harvesting Ribbon Cutting

Join us **Tuesday, September 29, at 11:00 a.m. at Annetta Town Hall** as we celebrate the Town's Rainwater Harvesting Project! We hope you'll stop by and join us for this exciting event.

💧 Stage 1 Voluntary Water Restrictions

Stage 1 voluntary water restrictions end next Wednesday, **September 30**, but we encourage everyone to continue using water wisely. Limiting outdoor watering to **2–3 days per week** and avoiding daily irrigation helps reduce demand on the Town's water system. It looks like our weather pattern may be changing next week, with a chance of rain in the forecast — and we are certainly thankful for that!

A big thank you to our rock star operations team for doing such a great job managing the water system throughout this hot, dry summer!

📋 Zoning Board of Adjustment Meeting

The Zoning Board of Adjustment will meet **Monday, September 28, at 7:00 p.m. at Annetta Town Hall** to consider a special exception request.

🎂 Happy Birthday, Mayor Roberts!

We would like to wish **Mayor Roberts a very happy birthday on October 1!** We appreciate everything she does for our community and the positive example she sets for our citizens. She represents Annetta well, and we hope she has a wonderful birthday!

🦋 Mayor's Fourth Annual Milkweed Seed Event

Join us **Saturday, October 17, from 10:00 a.m.–noon at Annetta Town Hall** to make milkweed seed papers for Monarch butterflies! 🥪 **Box lunches will be provided**, plus there will be a **book giveaway** — you must be present to win! Registration and giveaway links are available on the Town's Facebook page, or RSVP at **(817) 441-5770** or **info@annettatx.gov**.
