## Weekly Report – August 28, 2026

### Stage 1 Voluntary Water Restrictions Remain in Effect

Water demand remains **very high**, especially overnight and on weekends due to irrigation. Please help by **limiting outdoor watering to 2–3 days per week** and avoiding daily irrigation.

**We are close to the threshold for mandatory restrictions.** Conserving now can help us avoid moving to the next stage.

### Water Is Awesome!

**Water Is Awesome** provides weekly watering recommendations for North Texas based on weather and rainfall, along with helpful water conservation tips.

Visit **[WaterIsAwesome.com](http://WaterIsAwesome.com)** to see how much water your lawn really needs each week.

### Did You Know? September is National Preparedness Month

September is a great time to **review your family's emergency plan, update your emergency kit, and make sure you're signed up for local alerts.** With wildfire danger in our area, also know your **evacuation routes and have a plan for family members and pets.** A little preparation can make a big difference.

### Rainwater Harvesting Ribbon Cutting

Join us as we celebrate the Town's Rainwater Harvesting Project!
