

Weekly Report – March 27, 2026

- The Town’s office will be closed on Friday, April 3, in observance of Good Friday. This closure allows staff to recognize the holiday and spend time with their families. Regular business hours will resume on the next business day.
- The Texas heat is arriving earlier than usual this year, and our bodies may not be acclimated to the higher temperatures. Please take appropriate precautions when spending time outdoors, including limiting prolonged exposure during peak heat hours. Stay hydrated by drinking plenty of water throughout the day, wear light and breathable clothing, and take frequent breaks in shaded or air-conditioned areas.
- Fiber providers have been working throughout the Town to complete installation of their systems. Syntrio has continued drilling this week as part of its fiber installation. These projects are nearing completion.
- One of the pipes connected to an outlet at the Augusta Lift Station has developed a hole. As a result, when the pump operates, wastewater is recirculating instead of being properly discharged. Repairs have been scheduled with the Town’s contractor, and this issue is not expected to impact residents in the surrounding area.
- Installation of the irrigation line to the rainwater harvesting tank is scheduled, and we are excited to see this project moving toward full operation. We will keep everyone informed once the educational display has been installed and the ribbon-cutting ceremony has been scheduled.

- The option to renew the Town of Annetta’s one-quarter cent sales tax dedicated to street maintenance will be on the May 2, 2026, Special Election ballot. This sales tax was originally authorized by voters in 2014 and was renewed in the 2018 and 2022 elections.

This tax currently funds 100 percent of street maintenance and improvements within the Town. If voters choose not to renew the tax, the funds may be claimed by another jurisdiction.

The ballot will ask voters to consider renewing the tax for an additional four-year period. Residents are encouraged to stay informed and participate in the upcoming election.

For additional information, please visit the Town’s website at <https://www.annettatx.org/sales-tax-history>.
