Weekly Report – January 16, 2026

- The Town of Annetta office will be closed on Monday, January 19, in observance of Martin Luther King, Jr. Day. The office will reopen on Tuesday, January 20, at 8:00 a.m.
- The City Council adopted a proclamation designating February as Heart Health Awareness Month to raise awareness of the importance of heart health and encourage residents to take proactive steps toward maintaining a healthy lifestyle. Heart disease remains a leading health concern, and this recognition serves as a reminder of the value of prevention, education, and regular health screening.
- Congratulations to Al and Karen Gloer, winners of the Christmas Decorations Contest. Their home was beautifully decorated, and we appreciate the time and effort they put into spreading holiday cheer throughout the community.

- Just a reminder that Winter Sewer Averaging began on November 25th. The months December, January, and February will be used to calculate your average water consumption, which typically reflects household consumption without the impact of outdoor irrigation.

- Please visit the “**Utilities & Water Conservation**” page and click on “**Water Conservation**” for helpful tips on preparing in advance for winter freezes, along with additional useful resources and links.
- The Town’s annual Clean Up & Beatification Day is scheduled for Saturday, February 28, from 9:00 a.m. until noon. Lunch will be provided for volunteers. Please come out, meet your neighbors, and help keep our Town clean.
-  **Coming Soon: Trash Cart Service | May 2026**

Republic Services will begin trash cart service in May 2026. If you don't already have a Republic Services-provided trash cart, one will be provided as part of your monthly service rate.

 Postcards have been mailed to all Republic Services customers with an overview of what's coming.

 More details will follow in an additional mailer arriving in early 2026.
