

Weekly Report – September 12, 2025

- On Tuesday afternoon, we received confirmation that the new permanent pump was delivered and installed at the Augusta Lift Station. The Magna Flow pumping has stopped. We are continuing to monitor the new equipment to ensure it continues to function well. The odor will subside as the pump works as intended.
- We have received a report of vehicle break-ins in our area. Always remove valuables from your vehicle and keep your vehicles and homes secure. Please call the Parker Co. Sheriff 9-11 for an emergency or for non-emergencies call 1-817-594-8845. Annetta Crime Control and Prevention District funds Parker County Sheriff Department patrols of Annetta.
- Use this form to assist you in reporting details of a crime:
https://www.annettatx.org/files/ugd/10c50f_bd08c8855bf44b778322d2e447c04d24.pdf
- We received the September National Preparedness items to distribute. Come in and see us at Town Hall for the freebies from www.TexasReady.gov
- Annetta has a weather station provided by Fort Worth. You can see good weather data such as wind velocity, relative humidity, wind direction as well as current temperature here:
https://cs-029.onerain.com/site/?site_id=605&site=2ad65e50-36a6-4d18-bd7c-d7c80b693347&refresh=60&layout=panel
 - You can also go to the main homepage at <https://cs-029.onerain.com> to see flood threats at monitored roadway crossings in the Fort Worth area.
- The installation of fiber optics in the right-of-way is still ongoing. The Town's attorney has advised that state law places strict limits on what municipalities can require of telecommunications and fiber providers working in the right-of-way. For this reason, residents with concerns or questions about these projects should contact the providers directly.

AT&T point of contact:

AT&T 1-972-390-8478 For damage to your AT&T service line or other concerns.

Northeast Service: 1-800-252-2334 Subcontractor for AT&T
