🦋 Mayor's Fourth Annual Milkweed Seed Event

We had a wonderful turnout for Mayor Roberts' Fourth Annual Milkweed Seed Event last Saturday! Thanks to everyone who came out and participated, over 700 milkweed seed papers were made! These will be planted later this month to help provide important habitat for monarch butterflies during their migration. It was a beautiful day to come together as a community and do something good for our environment. Thank you to everyone who helped make this year's event such a success!
