

Weekly Report – December 19, 2025

- The Town's office will close at noon on Tuesday, December 23, and will reopen on Friday, December 26. We wish everyone a Merry Christmas and hope you enjoy time with your family and friends. Due to the holiday, a weekly report will not be posted next week.
- The Mayor and City Council recognized Rolf and Gay Larson for their volunteer service to the Town of Annetta. In their honor, the Parker County Master Gardeners donated two oak trees, and the Town installed a commemorative plaque to be displayed in front of the trees.
- The Town's automated meter vendor will be on site next week completing repairs and maintenance. If you see Zenner employees in the area, they will be working on water meters and possibly at the water plants.
- The Town's new SCADA system has been fully upgraded, and installation was completed this week.
- Just a reminder that Winter Sewer Averaging began on November 25th. The months December, January, and February will be used to calculate your average water consumption, which typically reflects household consumption without the impact of outdoor irrigation.
- The Town's logo was added to the Rainwater Harvesting Ground Storage Tank, further enhancing the visibility and branding of the Town's commitment to sustainability and water conservation.

- 🎄 **Town of Annetta – Fifth Annual Christmas Decorations Contest**
