

Weekly Report – March 20, 2026

- Hope everyone is recovering from the time change and enjoying Spring Break! We're hoping this week marks our last cold spell, as spring has already arrived at Town Hall. The bluebonnets are in full bloom and look stunning – Be sure to stop by and snap a few photos while they're at their peak.

- Last night, the Crime Control and Prevention District and City Council approved the purchase of a new UTV for law enforcement use for Aledo ISD. We are proud to support the school district in any way we can, especially when it comes to the safety of its students.

- We are excited to report that the rainwater harvesting tank is now full. The collected rainwater will be used for wastewater treatment plant cleaning and Town Hall irrigation, with the irrigation line installation scheduled for next week. This project highlights both conservation and educational project. The Upper Trinity Groundwater Conservation District will soon install an educational display and have an upcoming ribbon-cutting ceremony.

- The option to renew the Town of Annetta's one-quarter cent sales tax dedicated to street maintenance will be on the May 2, 2026, Special Election ballot. This sales tax was originally authorized by voters in 2014 and was renewed in the 2018 and 2022 elections.

This tax currently funds 100 percent of street maintenance and improvements within the Town. If voters choose not to renew the tax, the funds may be claimed by another jurisdiction.

The ballot will ask voters to consider renewing the tax for an additional four-year period. Residents are encouraged to stay informed and participate in the upcoming election.

For additional information, please visit the Town's website at <https://www.annettatx.org/sales-tax-history>.
