

Weekly Report – February 13, 2026

- Happy Valentine’s Day tomorrow! The weather has been beautiful lately – we hope you’ve had a chance to get outside and enjoy it.
- A joint Planning & Zoning Commission and City Council meeting will be held on Thursday, February 19, at 7:00 p.m. at Annetta Town Hall. The Town’s Planning Consultant will present and review the proposed revisions to the Town’s Zoning Ordinance. Please make plans to attend.
- Continue to take precautions to protect people, pets, pipes and plants. Visit our website at www.annettatx.org, navigate to the “**Utilities & Water Conservation**” page, and click on “**Water Conservation**” for helpful tips on preparing in advance for winter freezes, along with additional useful resources and links.
- The Town’s office will be closed on Monday, February 16, in observance of Presidents’ Day.
- Just a reminder that Winter Sewer Averaging began on November 25th. The months December, January, and February will be used to calculate your average water consumption, which typically reflects household consumption without the impact of outdoor irrigation.

- The Town’s annual Clean Up & Beatification Day is scheduled for Saturday, February 28, from 9:00 a.m. until noon. Lunch will be provided for volunteers. Please come out, meet your neighbors, and help keep our Town clean.

-  **Coming Soon: Trash Cart Service | May 2026**

Republic Services will begin trash cart service in May 2026.

If you don’t already have a Republic Services-provided trash cart, one will be provided as part of your monthly service rate.

 Postcards have been mailed to all Republic Services customers with an overview of what’s coming.

 More details will follow in an additional mailer arriving in early 2026.
