Weekly Report – September 18, 2026

💧 Stage 1 Voluntary Water Restrictions

Stage 1 voluntary water restrictions remain in effect **through September 30**.

As we near the end of the seasonal restriction period, please continue to use water wisely. Limiting outdoor watering to **2–3 days per week** and avoiding daily irrigation helps reduce demand on the Town's water system.

Thank you for continuing to conserve!

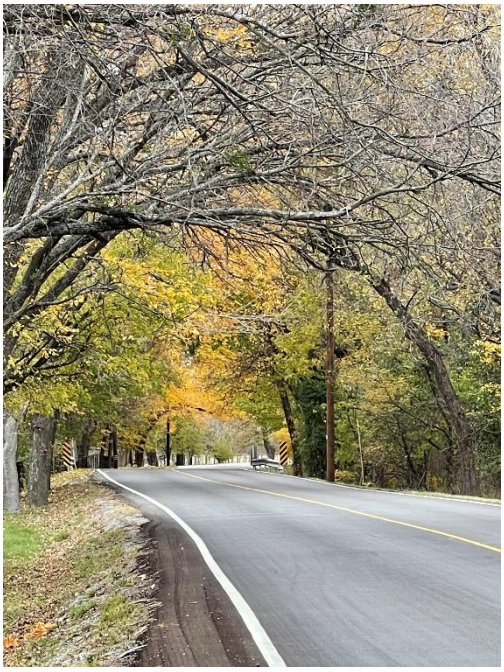

🌞🍂 Did You Know?

If it felt like we spent most of August trying to stay cool, there's a reason! DFW recorded **27 days at 100°F or higher**, tying for the **second-most triple-digit days ever recorded in August**.

That's a lot of hot days — even by Texas standards! 🤠 The prolonged heat kept water demand high across North Texas, and we appreciate everyone who helped conserve this summer.

And there's good news for those ready for a change — **Tuesday, September 22, is the first day of autumn!** While Texas temperatures may not get the memo right away, we're hopeful cooler days are right around the corner.

🍁 **We're looking forward to those beautiful fall days in Annetta that look a little more like this!** ➡️

💧 Rainwater Harvesting Ribbon Cutting

Join us **Tuesday, September 29 at 11:00 a.m. at Annetta Town Hall** to celebrate the Town's Rainwater Harvesting Project! We hope to see you there!

🦋 **Mayor's Fourth Annual Milkweed Seed Event** — Join us **Saturday, October 17, from 10:00 a.m.–noon at Annetta Town Hall** to make milkweed seed papers for Monarch butterflies! 🥪 **Box lunches provided**, plus a **book giveaway** — must be present to win! Registration and giveaway links are on the Town's Facebook page, or RSVP at **(817) 441-5770** or info@annettatx.gov.
