

Weekly Report – September 5, 2025

- The Parker County Master gardeners came on Wednesday to tend our pollinator sanctuary gardens here at Town Hall. It was a great turnout. We were excited to see our first Monarch Butterfly this season while the gardeners were busy!

- **September is National Preparedness Month.** This year's theme is, Preparedness Starts at Home. We have ordered preparation items from Texas Ready. We will let you know when they come in. Here are some resources for you to plan for your family and pets.

- As we wait for the new pump to be delivered to Augusta Lift Station, constant monitoring will continue until the new pump is received.
- The installation of fiber optics in the right-of-way is still ongoing. The Town's attorney has advised that state law places strict limits on what municipalities can require of telecommunications and fiber providers working in the right-of-way. For this reason, residents with concerns or questions about these projects should contact the providers directly.
