

ORDINANCE NO. 005

AN ORDINANCE AMENDING ORDINANCE NO. 1 OF THE TOWN OF ANNETTA, TEXAS,
APPROVING ELECTRIC RATE SCHEDULES AND SERVICE REGULATIONS FOR TEXAS ELECTRIC
SERVICE COMPANY WITHIN THE MUNICIPAL BOUNDARIES OF THE TOWN OF ANNETTA, TEXAS;
PROVIDING CONDITIONS UNDER WHICH SUCH RATE SCHEDULES AND SERVICE REGULATIONS
AND THE EFFECTIVE DATES THEREOF MAY BE LIMITED OR CHANGED; PROVIDING A FORM OF
NOTICE; AND PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE TOWN OF ANNETTA, TEXAS:

1.

That Section 3 of Ordinance 1 of the Town of Annetta, be amended so
that hereafter the Section 3 shall be and read as follows:

Section 3, Schedule of Rates: The tariffs, rates and charges
and service regulations for electrical service of the several
types shall be as provided in the "Schedule of Rates", a
document dated May, 1980, and filed on May 15, 1980, in the
office of the Town Secretary. Said rate schedules and service
regulations and all provisions therein contained are incorporated
herein by reference and specifically made a part hereof, and same
shall become effective for all billings made on and after June 19,
1980.

Notwithstanding the foregoing provision, however, the tariffs, rates and charges and service regulations for electrical service of the several types and the classes of customers to which such several types shall apply, unless otherwise provided by subsequent amendment to this Section, shall not exceed nor become effective prior to (1) those tariffs, rates and charges and service regulations set and allowed by order of the Public Utility Commission of Texas in response to the Petition to Set Rates filed by Texas Electric Service Company with the Public Utility Commission of Texas at Docket No. 3250 or (2) those tariffs, rates and charges and service regulations which may be permitted by judicial stay or suspension pursuant to Section 85 of the Public Utility Regulatory Act (Article 1446c, V.A.T.S.) or which may be permitted by court order upon judicial review of the tariffs, rates and charges and service regulations set and allowed by order of the Public Utility Commission of Texas.

The setting of tariffs, rates and charges and service regulations and the effective dates thereof, as provided above, shall not preclude Texas Electric Service Company from placing into effect lesser tariffs, rates and charges, or from delaying the effective dates thereof, in order to make the level of such tariffs, rates and charges and the effective dates thereof coincide with the tariffs, rates and charges and effective dates thereof to be charged and collected by Texas Electric Service Company generally throughout its service area.

2.

The filing of the "Schedule of Rates" and the approval of same by the Town Council does hereby constitute notice to the consumer of electricity, within the municipal boundaries of the Town, of the availability and application of such "Schedule of Rates."

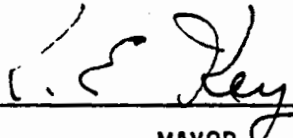

3.

This Ordinance shall become effective from and after its passage and publication as provided by law.

4.

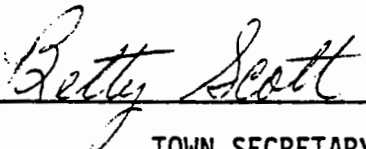

That this Ordinance shall become effective and shall be in full force and effect from and after its passage, and it is so ordained.

PASSED AND ADOPTED THIS 3rd day of June, 1980.
